

Veterans: Goals & Obstacles

Healthcare – Goal: Faster VA access. Obstacle: Outdated scheduling systems and staffing shortages create delays.

Mental Health – Goal: Strong PTSD and suicide prevention support. Obstacle: Federal funding caps keep programs underfunded.

Jobs – Goal: Smooth career transition to civilian life. Obstacle: Training programs scattered across agencies, creating red tape.

Housing – Goal: End veteran homelessness. Obstacle: HUD-VASH voucher program underfunded and restricted by zoning rules.

Disability Claims – Goal: Timely benefits. Obstacle: VA claims backlog remains due to outdated review processes.

Family Support – Goal: More resources for military families. Obstacle: Uneven access to spousal employment and childcare programs.

Recognition – Goal: Respect for service. Obstacle: Slow modernization of veterans' honors and benefit systems.
