

Seniors: Goals & Obstacles

Social Security – Goal: Secure retirement income. Obstacle: COLA tied to CPI doesn't reflect seniors' real costs, especially healthcare.

Medicare – Goal: Affordable prescriptions. Obstacle: Limited authority to negotiate drug prices keeps costs high.

Cost of Living – Goal: Keep up with inflation. Obstacle: Fixed incomes eroded by rising food, energy, and housing costs.

Elder Care – Goal: Affordable long-term care. Obstacle: Medicaid restrictions and low federal investment in home care.

Safety – Goal: Protection from fraud and scams. Obstacle: Agencies lack resources to stop online and financial abuse.

Community – Goal: Age in place with dignity. Obstacle: Housing policy neglects accessible and supportive living options.

Independence – Goal: Stay active and mobile. Obstacle: Public transit and senior programs underfunded nationwide.
