

Simple Icebreaker Script

Can I discuss something with you?

We both believe in democracy and freedom – right? It seems like our country is so divided now and it's only getting worse. And, while we argue – politicians take away our freedoms and money – neither of us want that.

We probably want similar things but sometimes it's hard to talk about it. Can we have a kind and honest discussion about what we both believe is happening and how we can fix it?

Let's not talk about people or politicians but instead just the issues we care about – is that ok?

You are a (fill in the blank) veteran so you must care about ...
